SUPPLEMENTAL RESPONSE

In further response to the action mailed June 28, 2002 and the advisory action of September 26, 2002, please amend the application as follows:

In the claims: ✓

Please amend claim 98 as follows:

E1
98. (Amended) The material of claim 90, 91 or 92 wherein said graphic design or image at least partially comprises print of said form residing on said first surface of the material, the material being at least partially transparent such that the design or image can be seen through the material.

Please add new claims 99-109 as follows:

E2
-- 99. A laminate comprising
a substrate having at least one broad surface, and
a layer of hook-engageable non-woven material having a basis weight of less than about 4 ounces per square yard and comprising a sheet-form web body having a first surface laminated to said at least one outer broad surface of the substrate and a second surface from which hook-engageable fibers or yarns extend, said hook-engageable material comprising
